Solar Photovoltaic panels (PV) on the rooftop of Canselori Putra Building
To become a university of international repute

Produce superior graduates who are holistic, ihsan, patriotic and resilient

To make meaningful contributions to the creation of prosperity and development of the nation and the well-being of all human beings through the exploration and dissemination of knowledge

Ihsan, Diversity, Sustainability

Universiti Putra Malaysia

Internationally Recognised for Uncompromising Quality in Education

A multi-disciplinary university with a distinguished 91-year history, Universiti Putra Malaysia is globally recognised for its excellent educational and academic disciplines and programmes that have contributed immensely to knowledge and skilled human capital development since 1931.

As one of Malaysia’s largest and premier universities, Universiti Putra Malaysia has a long-standing reputation for teaching and research excellence and has over the years become a favoured choice for students from all over the world.

Generating and imparting knowledge are the core of all activities at Universiti Putra Malaysia as exemplified by its slogan “With Knowledge We Serve”. Today, the university inherently possesses all the qualities and resources to compete head on with other renowned local and international institutions of higher learning.
WHY UPM?

Universiti Putra Malaysia is an internationally acclaimed university with 91 years of excellence in higher education and is recognised as one of the top research universities in the region. In collaboration with some of the best institutions of higher learning, UPM offers a diverse range of academic programmes.
